For the other companies that data is outside of US. Regardless we need to put a block on IMS. Find out who are the people giving them the data and put a block on them too. Later would be Anne's part but I want the IMS block figured out ASAP.

Secondly, have we confirmed Symphony and IMS are the same company? I need the block on Symphony too ASAP

Very Important

Thanks

Hi Lisa,

Correct, Walgreens has not provided us any notification that they are blocking Daraprim so it should be part of the reporting.
That said, it would still be a good idea to check with them in case they are blocking and did not notify us.

Thanks,
Amish

Hi Amish,

Can you confirm you have the Walgreens Specialty data for Daraprim?

Also I recall there wasn't a block on the Daraprim data?

Could you please confirm?

Thank you,

Lisa Schlesinger
